\*\* Prior year audited financial data available.

## EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	12	240	60
Percent satisfied with learning environment	91.7%	72.7%	76.8%
Percent satisfied with social and physical environment	91.7%	70.5%	71.2%
Percent satisfied with school-home relations	72.7%	79.2%	76.3%

\*Only students at the highest elementary school grade level at this school and their parents were included.

## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the 2011-12 school year, Frances Mack Intermediate School students had opportunities to participate in a wide range of academic and athletic activities, as well as activities in the arts. We presented a very successful and entertaining adaptation of "The Wizard of Oz", our band and chorus students showcased their talents for their parents and our school community, while others honed their athletic abilities by participating in our intramural, flag football, and cross-country running programs. Students produced and anchored our morning news show. Our literacy club met monthly to read and discuss various books and authors. We welcomed our parents and community members to FMIS and through activities, such as our Spring Festival, hope to include them more and more in our school family.

Frances Mack Intermediate School, where we are "preparing lifelong learners for the challenges of the 21st century," continues to strive toward creating professional learning communities that address individual needs of our students. Our teachers meet weekly to craft units and lessons that will engage our students in a quest for learning and understanding at a deeper conceptual level. We are working on building our knowledge about phases of instruction and the gradual release of the responsibility for learning from the teacher to students.

To meet our challenges for the 2012-13 school year, teachers and administrators will meet weekly to study academic, attendance, and discipline data to understand the needs of each student and to develop a plan to meet those needs. We will develop and use interventions that specifically address each child, from our struggling learners to our academically and artistically gifted students.

We have begun the process of converting to the Common Core State Standards and, as we move closer to full implementation, teachers are planning units that will take students to higher levels of learning.

We appreciate the support of our parents and school community as we strive to provide the best education possible to our students.

Sherri Stonehouse, Chairperson, School Improvement Council  
Sara Ankrapp, Principal
